Donations in Kind

Sri Siva Vishnu Temple is seeking in-kind donations of food materials for **Annadhanam** and **Acharya Bhojanam** for the upcoming **Sri Sahasra Chandi MahaYagna Mahotsavam**.

To ensure the consistency and quality of the food materials, we request you to only donate approved name brand items. The suggested items and approved name brands are listed in the table below. Devotees can purchase these items at their local Indian grocery store, bring the groceries to the Temple and place it in the bins kept at designated locations in the Temple lower level. When placing food items in the bin, please enter: (1) your name, (2) phone number, (3) email address, and (4) list of items donated in this form and leave it in the bin with the donated items. These items will be checked against the list of specified food materials and inspected for quality control by designated Temple volunteers before logging and accepting the items for Mahotsavam annadhanams.

As an alternative to purchasing and bringing the food materials to the Temple yourself, devotees who usually purchase their grocery at some local stores such as Patel Brothers have the option to purchase their food donations at the store. The store will later deliver the food donations to the Temple, keep track of the items donated and the person donating, and share this information with SSVT. The Temple is looking to make such an arrangement with more local area stores. Devotees are requested to check if this option is available at the store where they usually buy grocery.
